Independent Auditor's Review Report on Quarterly and year to date standalone unaudited financial results of the Tantia Constructions Limited pursuant to the Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 as amended, for the quarter and six month period ended September 30,2022

Review Report To
The Monitoring Committee
Tantia Constructions Limited

We have reviewed the accompanying unaudited standalone financial results of Tantia Constructions Limited ("the Company") for the quarter and six months ended on September 30, 2022 and financial statement as on that date and cash flow for the half year ended September 30, 2022 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").

1. The preparation of standalone financial result is in accordance with the recognition and measurement principles laid down in India Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Company Act 2013 as amended read with relevant circulars is the responsibilities of the Monitoring Committee and has been approved by the Monitoring Committee. Our responsibility is to express opinion on this financial result based on our review. Because of the matter described in the basis of disclaimer of conclusion paragraph, we were not able to obtain sufficient appropriate review evidence to provide a basis for our review conclusion.
2. We conducted our review on the result in accordance with the Standard on Review Engagements (SRE) 2410,"Review of Interim Financial Information Performed by the Independent Auditor of the Entity "issued by the Institute of Chartered Accountants of India . The standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial result is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standard on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
3. Note 4(a) to the financial results which states that the Corporate Insolvency Resolution Process("CIR Process") had been initiated against Company vide an order passed by Hon'ble National Company Law Tribunal, Kolkata Bench dated 13th March, 2019, under the provisions of the Insolvency and Bankruptcy Code, 2016. Pursuant to the order, the power of the Board of Directors stands suspended and exercisable by Mr. Kshitiz Chhawchharia, who was appointed as the Interim Resolution Professional and consecutively confirmed as the Resolution Professional by the Committee of Creditors of the Company. Further, during the CIR process, Expression of Interest was sought against which application was received.

Subsequently, the resolution plan submitted by the consortium of EDCL Infrastructure Limited and Upendra Singh Construction Private Limited was approved and declared as the successful Resolution Applicant by the Hon'ble NCLT on 24th February, 2020, which is considered as the "effective date" for implementation of the Resolution Plan. Pursuant to Clause 22.1 of the Approved Resolution Plan, a Monitoring Committee ("MC") as specified in the Plan has been constituted on the Effective Date, by virtue of the order of the Hon'ble NCLT approving the Resolution Plan. The monitoring committee formed comprises of 3 representatives from the Financial Creditors (as decided by Committee of Creditors), 3 representatives from the RA, as well as the erstwhile Resolution Professional for supervision of implementation of the Approved Resolution Plan. Thus, for the period between the "effective date" and the Plan Implementation Completion (as defined in the Approved Resolution Plan), the Monitoring Committee has accordingly been formed to supervise the implementation of the Plan and to manage the affairs of the Company as a going concern.

4. Our responsibility is to express a conclusion on this financial result based on our review. In view of the matters described in our basis for disclaimer of conclusion mentioned in point 5, we are unable to obtain sufficient appropriate evidence to provide a basis for our conclusion on such matters. Accordingly, we do not express a conclusion on such matters.

5. Basis for Disclaimer of conclusion

In view of the approved resolution plan approved by the Hon'ble NCLT that stipulates certain conditions to be fulfilled by the company to give effect to the resolution plan as approved, the books of accounts of the company have been prepared on going concern basis despite of the following facts and circumstance:-

- i. Due to anomalies with respect to listing of 99,19,032 equity shares of promoters on NSE and BSE the resolution plan approved by Hon'ble NCLT is yet to be implemented. Further, keeping in view the delay in the implementation of the Resolution Plan, the Monitoring Committee has approached the Hon'ble NCLT to set aside the order dated 24th day of February, 2020. The SRA is contesting the same and the Hon'ble NCLT is seized of the matter. We have been informed by the management that in continuation of above matter, another application was filled by monitoring Committee (refer note no 4(d)) the impact of the application filed can be given only on adjudication by the Hon'ble NCLT. Accordingly, Pending such adjudication and unavailability of sufficient and appropriate evidence, we are unable to express our conclusion on the same.
- ii. Amount receivables and payables including certain balances under cash & cash equivalents, trade receivables/payables, loans, other financial assets, other assets/liabilities are subject to balance confirmations and reconciliations thereof, if any required.
- iii. Non-ascertainment and provision for slow/non/obsolete inventory and as such consequent impact thereof on the financial result of the company, if any, cannot be commented upon by us.

- iv. Non-ascertainment and provision for Investment in non-moving Joint ventures aggregating to INR 277 lakhs. As such consequent impact thereof on the financial result of the company, if any, cannot be commented upon by us.
- v. Trade receivables of Rs 5814 Lakh as on 30th Sept 2022 , Provision for bad and doubtful debts Rs Nil made as at 30th Sept 2022, based on assessment made by company . In absence of confirmation from all the parties, pending reconciliation of all parties disputed dues which are being contested by the company etc. we are unable to comment on the adequacy of the provision made by the company

6. Further attention is invited to the following-

- i. Other income of INR 3496 Lakh includes income of INR 3180 Lakh on account of fair valuation of Preference Shares of Tantia Infrastructure Private Limited (100% Subsidiary). Considering the current financial situation of the subsidiary and non-availability of the fair valuation report, the profit of the company is overstated by INR 3180 Lakh for the period ended 30th Sept 2022 .

Our opinion is modified in respect to the above matters

7. Basis of Emphasis of Matters:-

- i. The company has regular programme of physical verification of fixed asset by which same is verified in phases over a period of 3 years. During the period under review current financial year the process of verification was not made hence reconciliation with physical balance could not be made.
- ii. Note 11 to the standalone financial results which state that the Company have not made any provision for Gratuity and Leave Encashment in line with Ind -AS 19 which has resulted in overstatement of profit for the quarter to that extent
- iii. The Other Income of INR 3496Lakh includes INR 21 Lakh on account of Profit on Sale of Fixed Assets out of which INR 20 Lakh fixed assets sold as scrap.
- iv. The Other Income of INR 3496Lakh, includes Rs 143 Lakh on account re-imburement of insurance premium relating to earlier years.
- v. The Other Income of INR 3496Lakh, includes INR 76 Lakh on account settlement amount received from WBHIDCO for cancellation of leasehold land rights.
- vi. Fixed deposit of INR 1000 lakh given as performance security to "Committee of Creditors" by Resolution Applicant as per the Approved Resolution Plan, treated as amount received by the Company from the Successful Resolution Applicant and the same has been included in "Other banks balances" by creating corresponding liability to them and shown under "Other Current Liabilities". Further, interest income of INR 15 Lakh accrued thereon accounted for under

other income and corresponding liability accounted as "other financial liabilities".

- vii. INR 350 lakhs received from Resolution Applicant as per approved resolution for payment to employees and other operational creditors. Pending implementation of Resolution Plan, the same has been deposited with bank as short-term deposit and interest accrued thereon of INR 6 Lakh has been accounted for as interest income.
- viii. Company written of INR 312 Lakh receivable from Tantia Gondwana JV which is included in Other expenses of INR 768 Lakh.
- ix. Company has not accounted for Rs 8 Lakh (from July to Sept 22) as rental income for RMC Plant at Guwahati.
- x. Title deeds with respect to certain Lands held by the Company are not available.

Our opinion is not modified in respect to above matters.

8. Other Matter:-

Based on our review conducted as above , subject to matters stated in paragraph 5&6 above, nothing has come to our attention that cause us to believe that the accompanying unaudited standalone financial results prepared in accordance with recognition and measurements principles laid down in applicable Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant Rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Further, during the CIR Process, Expression of Interest was sought against which application was received. Subsequently, the proposal shared by a consortium of EDCL Infrastructure Limited and Upendra Singh Construction Private Limited was selected and the Consortium declared as the successful Resolution Applicant. The final order was passed by the Hon'ble NCLT on 24th February, 2020 which is considered as the "effective date" for implementation of the Resolution Plan.
